APPENDIX II

1. *Rules for fixation of pay in the Revised Scales:—*(1). The initial pay of a teacher, who elects or is deemed to have elected the revised scale of pay from 1st day of January 1986 shall be fixed in the following manner, viz:—

(a) In the case of all teachers:—

(i) An amount representing 20 per cent of the basic pay in the existing scale shall be added to the existing emoluments of a teacher;

(ii) After the existing emoluments have been so increased, the pay shall thereafter be fixed in the revised scale in the stage next above the amount thus computed. Provided that—

(a) if the minimum of the revised scale is more than the amount so arrived at, the pay shall be fixed at the minimum of the revised scale.

(b) if the amount so arrived at is more than the maximum of the revised scale, the pay shall be fixed at the maximum of that scale.

Note 1.—Basic pay means the pay which has been sanctioned for the post held by a teacher substantively or in an officiating capacity or to which he is entitled to by reason of his position in a cadre.

Note 2.—Existing emoluments shall include—

(a) The basic pay in the existing scale;

(b) Dearness Allowance and ad-hoc Dearness Allowance admissible as on 1st January 1986 on the basic pay, and

(c) the amount of 1st Interim Relief (revised under G.R., F.D. No. 391 1286/599 dt. 10, dated 10th November 1986) and 2nd Interim Relief admissible on the basic pay in the existing scale.

The table showing the various stages in the existing pay-scales, D. A. and ad-hoc D. A., 1st and 2nd I. R. and 20% of the basic pay admissible thereon, is given in Appendix II.

Note 3.—Revised emoluments means the basic pay of a teacher in the revised scale admissible to him.

Note 4.—Where the existing emoluments exceeds the revised emoluments in the case of any teacher, the difference shall be allowed as personal pay to be absorbed in future increases in pay.

Note 5.—Where in the fixation of pay under this rule the pay of a teacher drawing pay at more than 5 consecutive stages in an existing stage gets bunched i.e. pay gets fixed in the revised scale at the same stage, the pay in the revised scale of such of those teachers who are drawing pay beyond the first five consecutive stages in the existing scale shall be stepped up as under by the grant of increment(s) in the revised scale in the following manner, viz:—

(a) For teachers drawing pay from the 6th upto the 10th stage in the existing scale by one increment.

(b) For teachers drawing pay from the 11th upto the 15th stage in the existing scale, if there is bunching beyond the 10th stage by 2 increments.

(c) For teachers drawing pay from the 16th upto the 20th stage in the existing scale if there is bunching beyond the 15th stage by 3 increments. If by stepping up of the pay as above, the pay of a teacher gets fixed at a stage in the revised scale which is higher than the stage in the revised scale at which the pay of a teacher who was drawing pay at the next higher stage or stages in the same existing scale is fixed, the pay of the latter shall also be stepped up only to the extent by which it falls short of that of the former.

Note 6.—Where in the fixation of pay under this rule pay of a teacher who in the existing scale was drawing immediately before the first day of January 1986 more pay than another teacher junior to him in the same cadre, gets fixed in the revised scale at a stage lower than that of such junior, his pay shall be stepped upto the same stage in the revised scale as that of the junior.

Note 7.—Where a teacher is in receipt of personal pay on 1st day of January 1986 which together with his existing emoluments as calculated in accordance with above exceeds the revised emoluments, then the difference representing such excess shall be allowed to such a teacher as personal pay to be absorbed in future increases in pay.

Note 8.—In the case of a teacher promoted to a higher post on or after 1st January 1986, the pay of the lower post in the revised scale shall be fixed first under these rules and then the pay fixed in the revised scale of the higher post under normal rules.

Note 9.—In the case of a teacher who is drawing reduced pay as on 1st January 1986 in the existing scale on account of imposition of penalty under the relevant statutes of the University, the pay in such cases should be fixed as under:—

(a) On the basis of pay actually drawn on 1st January 1986, and

(b) On the basis of pay which would have been drawn but for the penalty.

The revised pay as fixed at (a) above may be allowed from 1st January 1986 to the date of expiry of penalty and the revised pay fixed as at (b) from the date following the date of expiry of the penalty after allowing increment if any that might have notionally fallen due in the revised scale during the period from 1st January 1986 to the date of expiry of the penalty. The next increment in the revised scale will be regularized in accordance with Rule 2 of these rules.

2. *Date of next increment in the Revised Scale.*—The date when the next increment shall be granted in the revised scale in accordance with Rule 1 shall be granted on the date when the next increment, had he continued in the existing scale:

Provided that in cases where the pay of a teacher is stepped up in terms of Note-3 or Note-6 or Note-7 to rule (1) the next increment shall be granted on the completion of qualifying service of 12 months from the date of stepping up of the pay in the revised scale:

Provided further that in cases other than those covered by the preceding proviso the next increment of a teacher whose pay is fixed on 1st day of January 1986 at the same stage as the one fixed for another teacher junior to him in the same cadre and drawing pay at a lower stage than his, in the existing scale, shall be granted on the same date as admissible to his junior if the date of increment of the junior happens to be earlier.

Provided also that in the case of teachers who had been drawing maximum of the existing scale for more than a year, as on 1st day of January 1986 the next increment in the revised scale shall be allowed on the 1st day of January 1986:

Provided that in cases where a teacher reached the maximum of the pre-revised scale (having annual increment) after the 1st January 1985, the next increment in the revised scale be granted on the completion of service for the full incremental period counting from the date on which he reached the maximum of the existing scale:

Provided further that in cases where the teacher drawing pay in the existing pay scale having biennial increment, reached the maximum of the pre-revised scale after 1st January 1985, the next increment in the revised scale shall be admissible on completion of service for the full incremental period counting from the date of election of revised scale of pay.

Note 1.—Where a teacher who is held up at the stage of assessment viz. Rs. 1,300 in the pay scale of Rs. 700—1,600 elects or is deemed to have elected the revised scale, his initial pay in the revised scale should be fixed under these rules and he should be granted the next increment on the date on which it is due in the revised scale, provided that if the authority competent to allow the teacher to cross the assessment stage certifies that the teacher would have been allowed to draw the increment in the existing scale at an earlier date, the next increment should be granted on such earlier date.

Note 2.—In the case of a teacher who was born on a pre-revised scale of pay having biennial increments and who opts for revised scale of pay, the next date of increment shall be as under:—

(a) where the biennial increment in the pre-revised scale was due for payment in 1986, it would be payable on the due date of 1986.

(b) where the biennial increment in the pre-revised scale was due for payment later than 1986, the increment would be admissible on the anniversary of election for the revised scale of pay.

Note 3.—(a) In the case of a teacher whose increment accrued in the pre-revised scale on 1st January 1986, such increment should be allowed first on that date and pay fixed in the revised scale thereafter.

(b) Where increment has been allowed under the third proviso to this rule, the next increment in such a case would accrue on 1st January 1987 subject to the maximum of the revised scale not being exceeded.

3. *Fixation of pay in the Revised Scale subsequent to the first day of January 1986.*—Where a teacher continues to draw pay in the existing scale and elects to come over to the revised scale from a date later than the 1st day of January 1986, his pay in the revised scale from such date shall be fixed as under:—

(a) In respect of a teacher who draws his increment annually biennially and who opts to switch over to the revised scale of pay from the date of his next increment falling after 1st January 1986 but not later than 31st December 1987 in respect of the post held by him on 1st January 1986, his pay shall be fixed in accordance with the provisions of Rule 1 above. However, such a teacher shall not be eligible for 20% of basic pay subject to minimum of Rs. 75 per month for a period from 1st January 1986 till the date on which he switches over to the revised scale.

(b) In the case of a teacher who elects to come over to the revised scale later than 31st December 1987, his pay from that date shall be fixed under the normal pay fixation rules and for this purpose his pay in the existing scale shall have the same meaning as of existing emoluments as calculated in accordance with sub-clause (a) of Rule 1 above, except that the basic pay to be taken into account for calculation of those emoluments will be the basic pay on the later date aforesaid. Such a teacher shall not, however, be eligible for 20% of basic pay in the existing scale per month for fixation of pay in the revised scale.
